## ILLUSTRATIONS.

Air bridge, corrugated iron.....  
Air compressor, Bower's.....  
Alarm, safety and door bell.....  
Amalgamator and ore washer.....  
Angie-iron bending machine.....  
Antelope, curly-haired.....

Baker, Drew's.....  
Balloon voyage to North Pole.....  
Band sawing machine, Fay's.....  
Barometer.....  
Base ball, curving.....  
Bats, brown.....  
Beer cask, Hoffman's.....  
Billiard-ball holder.....  
Billiard chalk cup.....  
Billiard table cushion.....  
Birthworts, fringed.....  
Blister beetle, history of.....  
Board cutting machinery.....  
Boiler, Allison's vertical.....  
Book-binding, new method.....  
Bookcase, folding, Hill's.....  
Book-cover protector.....  
Boots and shoes machinery.....  
Boots as turning machine.....  
Boring machine.....  
Boring tapers.....  
Brick machine, Gard's.....  
Brick-making machine.....  
Bridge cable, East river.....  
Bridge, Bakuriki.....  
Brigadier, white.....  
Burglar alarm, Saubrey's.....  
Burstone grinding mill.....  
Butter packing apparatus.....  
Butter worker.....  
Buttons, manuf. of.....

Cable fastening, East river.....  
Calliper, micrometer.....  
Cannon, breastwork.....  
Capercalzie.....  
Car coupling.....  
Carpet loom, Gates'.....  
Cheesecloth, silk testing.....  
Cherrydrys, banded.....  
Chicken coop.....  
Clamp, holating.....  
Clock, mysterious.....  
Cobbler fish.....  
Cogging.....  
Comet, mixer.....  
Corn husking.....  
Cosmograph.....  
Cotton, compressing.....  
Cotton stalk puller.....  
Couch, Anderson's.....  
Coupling, halter.....  
Crane of locomotive.....  
Crucibles, making plumbago.....  
Curtain fixture.....  
Cylinders, to re-bore.....

D  
Denudation, curious.....  
Dendrograph, Merton's.....  
Draper, John William.....  
Dredging apparatus.....  
Drilling tube, pneumatic.....  
Drilling machine, radial.....  
Drill self-feeding.....  
Dustpan.....  
Dynamometer.....

E  
Electrical apparatus.....  
Electric light, application.....  
Electroplating machinery.....  
Engine, vertical compound.....  
Engraving on glass.....  
Exposition, French.....  
Exposition palace, French.....

F  
Faucet, Lemper's.....  
Faucet, improved.....  
Feed engine, chemist.....  
Fire escape, Allen's.....  
Fire extinguisher, automatic.....  
Flashes, archer.....  
Flouring mill, Harrison's.....  
Flower, artificial.....  
Flower bed, fixing.....  
Flower pot, soft-water.....  
Fly fan, automatic.....  
Flying man, Ignazio's.....  
Fodder cutter.....  
Fox signal, automatic.....  
Fountains at Aranjuez.....  
Fowl, skull of do hectic.....  
Frog, clamorous, portable.....  
Furnace, pudding.....  
Furnace, smoke-burning.....

G  
Galvanic battery, Trouve's.....  
Gas engine, vertical.....  
Gas lamp, pedaled.....  
Gas works, Wren's.....  
Gasket, Stay's.....  
Telephone, Bel'.....  
Telephone, Haven's.....  
Thermometer, registering.....  
Tile-making machine.....  
Tin scrap, utilization.....  
Toad, American.....  
Toaster, grinding.....  
Tortoise, box.....  
Tramway car, Swiss.....  
Tricycle, Coventry.....  
Tunnel in New York City.....  
Tunny, the.....

H  
Hand warmer, ancient.....  
Hat rack, Dorr's.....  
Heel protector,....  
Hinge, Beaudet's.....  
Hot-air engines.....  
Hybrid, curious.....  
Hydraulic hauling machine.....

I  
Ice machine, Holden's.....  
Ice machine, Pictet's.....  
Ice, to make.....  
Ice tongs.....  
Indicator, ship's speed.....  
Insects, some.....

K  
Keely motor.....  
Kid gloves.....  
Knitting machine, Tutin's.....  
Knives.....

L  
Label-holder.....  
Label, paper, down.....  
Lanterns, fl. ....  
Lathe, saw, combination.....  
Lead pipe, manufacture of.....  
Life-boat.....  
Lily, giant.....  
Lizard, Carolina.....  
Locomotive crane.....  
Locomotive, fireless.....  
Locomotive, small-gear'd.....  
Lor-tuner.....  
Lomaria daigamae.....  
Loom, The Jacquard's.....  
Lunch-heater, portable.....

M  
Magic lanterns, to paint.....  
Magneto-electric machine.....  
Mantis, Carolina.....  
Mechanism, practical.....  
Meridian line.....  
Metals, expansion of.....  
Mitten, vine.....  
Mule, cricket.....  
Mule headstocks.....

N  
Needle clamp for machine.....  
Needles.....

O  
Obelisk, abandoned.....  
Obelisk at sea.....  
Oleanders, running.....  
Oil-burner, flowing.....  
Oil can, Graves'.....  
Orchids, group of.....

Photo-engraving.....  
Pichicago, truncated.....  
Planing machine, surface.....  
Platypus, duck-billed.....  
Plow, rotary mould board.....  
Pocket book receiver.....  
Postage stamp, new.....  
Potato beetle, enemy of.....  
Printing press, rotary.....  
Pulleys.....  
Pulley, Streets'.....  
Pump, donkey.....  
Punch, improved.....  
Puzzles, geometrical.....

R  
Ramie plant.....  
Rivet-making machine.....  
Road locomotive.....  
Rowlock.....

S  
Salamander, ash-colored.....  
Salamanders.....  
Sand balance.....  
Sawing machine, scroll.....  
Saw, tenon, Walker's.....  
Saw, three-cut machine.....  
Sea monster.....  
Sewing machine, Lang's.....  
Shaft-oiler, automatic.....  
Shears, Johnson's.....  
Shot-bag and charger.....  
Shot, manufacture of.....  
Shovel, hand, forked.....  
Smoothing stand, French.....  
Snake, water.....  
Specific gravity apparatus.....  
Stable fly, lancers.....  
Steam hammer, 30-ton.....  
Steamboar population.....  
Steamer on the river.....  
Stork, nest, rattlebox.....  
Strawberry runners, cutting.....  
Surf car.....  
Suspension railway.....

T  
Tea and coffee pot.....  
Telephone, Bel'.....  
Telephone, Haven's.....  
Thermometer, registering.....  
Tile-making machine.....
